DEDICATION TO JESSICA EBBIGHAUSEN

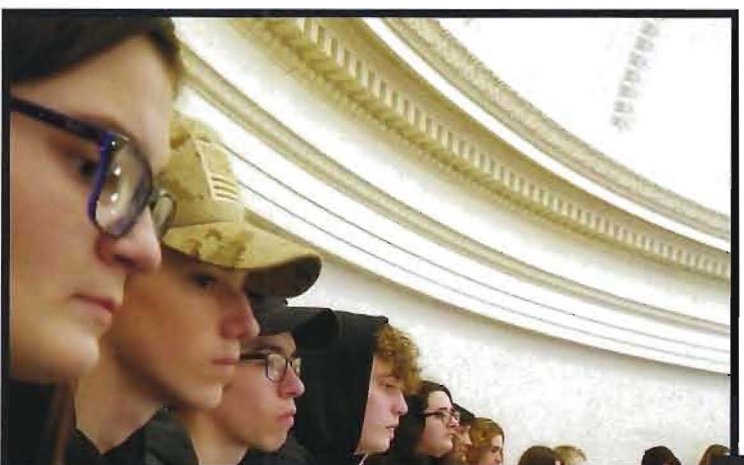

This yearbook is dedicated to Jessica Ebbighausen who was born on August 22, 2003. She graduated in 2021 from Rutland High School. She played field hockey, and completed the Stafford Technical School Public Safety and Criminal Justice program. She also completed an internship with the Rutland City Police Department. She was a part-time Rutland Police Officer and was planning to train to be a full-time officer soon.

She was only 19 when she was killed in the line of duty on July 7, 2023. Here are some words used to describe what kind of person she was, "Jessica always had a smile on her face. Jessica was special. We don't see it very often these days where someone decides at a young age that they want to become a police officer then follow through with that. We don't see a lot of young people that want this job anymore, but Jessica did. She prepared herself, she put a lot of effort. It was her dream!"

Sgt. Heath Plemmons, M935

"It was an honor to be Jess' training officer. She came to work with a smile every day, and was refreshingly kind and compassionate- qualities which would have served her well as a police officer. Her presence was deeply felt, and she is deeply missed. I think about her every day, and will always remember her as a hero." **Cpl. Rick Caravaggio, M944**

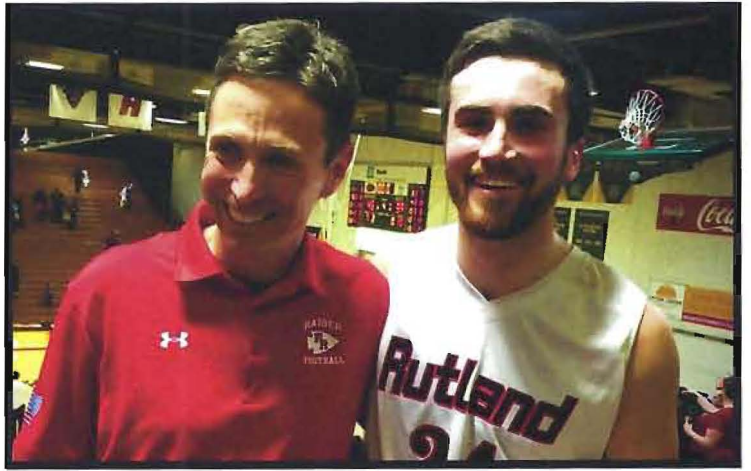

GOODBYE TO ROBERT BLISS

We also dedicate our yearbook this year to longtime Assistant Superintendent, Rob Bliss. After starting in Rutland City in 2000, Mr. Bliss has served as Northwest Primary School Principal, and for the last 17 years, in the district's Central Office as Asst. Superintendent.

In the chapters of our district's history, few people shine as brightly as you, Rob Bliss - your dedication and presence in schools has been constant. As a former coach, teacher, principal and assistant superintendent, your unwavering support and constant leadership ensured that our educational mission persisted through every challenge and opportunity. Your high standards, gift for knowing every student by name, and work increasing technology access while providing an up-to-date and viable curriculum are greatly appreciated.

You led our schools through COVID-19, and even in the pandemic's darkest days, you were our steadfast guide, ensuring that a global crisis didn't hinder our community's learning and growth. Your actions spoke volumes of your character, demonstrating that our learning community's well-being was your priority and instilling a spirit of resilience that became our school district's hallmark. Because of your leadership, our doors remained open, students were fed, and Every Student, Every Day in preK-12 was connected and cared for by our staff and teachers. As we bid farewell to your daily presence, we reflect on the profound impact of your service. Your legacy endures in the strength and unity of our school community. We thank you sincerely and wish you all the joy and fulfillment in the new chapter ahead. We hope you will treasure your free time, coaching and playing rugby, your wife Ginger, children, and grandchildren. Your daily presence in schools and your service to students, staff, families, and the Rutland community will be missed.

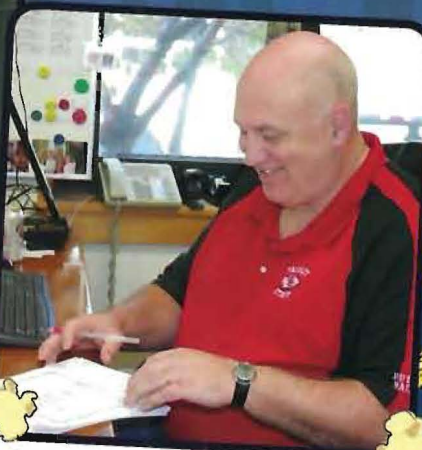

AND THE GRAMMY GOES TO...

Kevin Browne

Mr. Browne has been teaching in the district for the last 26 years. He first began teaching at RMS but has been at RHS since 2008. On the outside, he is known for his tough, outward, disposition and distinct ability to tell it like it is. Those of us that really know him, however, know that inside he has a true, soft-hearted nature that we all know and love. Mr. Browne has always been a strong supporter of his students in and out of the classroom. He holds them accountable, while also showing them understanding and compassion. Mr. Browne is an even better supporter of his colleagues, both throughout the whole school and within the math department. He has taken on many roles during his tenure and we would have struggled to make it through without his help and expertise. It has been a pleasure learning from, and working with you, Mr. Browne. We hope you have a long, healthy, and happy retirement!

Nancy Ivey

In 1997, Nancy started her career with Rutland City Public Schools working at SUCCESS, which is now known as our Allen Street Campus. She transferred from SUCCESS to RHS in 2006 and has been working at RHS for the past 18 years. Throughout her career Nancy has been a champion for all students' social/emotional needs. She approaches students with non judgemental respect as she listens to what is going on in their life and helps them to navigate the challenges of their situations at school and home. Nancy has a heart of gold and has truly cared for so many students over the years at both campuses. No one really knows how much she has done for current students and past students and has made such positive impacts in their lives. She will be missed, but we wish her a very happy retirement and new adventures!

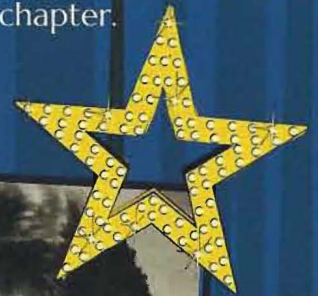

AND THE GRAMMY GOES TO...

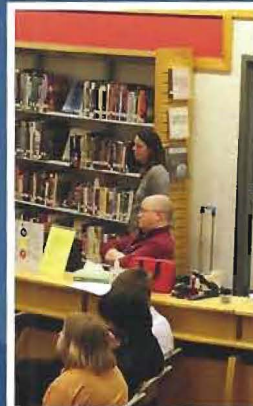

Laurie Bullock

Laurie has been working in the Rutland City District since 1996 where she started at RMS. In 2016, she began teaching math at RHS and in 2019 she began working at Grove Street Campus. She is also a 1986 graduate of RHS. Working with and learning from Laurie Bullock has been a true pleasure. She is the consummate professional. No matter the circumstances, Laurie always maintains her composure. Her room at Grove Street is usually bustling with activity and laughter due to the rapport she builds with students. Laurie graciously assists students who require support and works exceptionally well with colleagues. Her generous, warm and engaging personality, combined with a strong work ethic, has made Laurie a treasured member of the Grove Street community. Though she will be sorely missed, Laurie, we know, will flourish in her next chapter.
